## Moving Day – Things to have Handy

- Notepad and pencil/pen
- Toilet paper
- Paper towels/rags
- Scissors
- Tools (screwdriver, pliers) - you'll need these to put beds together
- Something to drink and a way to keep it cool/hot
- Hand soap, towel, lotion
- Drinking cups/glasses - for the family and movers
- One phone
- Something to sit on
- Snacks
- Radio
- List of phone numbers for local installers and their schedule (utilities, etc.)
- Wastebasket
- Some kind of knife to open boxes
- Phone book from previous location

### On Moving Day

- If possible have friends or relatives take care of children and pets elsewhere
- Check and number all boxes
- Check each carton for loss or damage
- Prepare a list of damaged or lost articles
- Make sure movers are paid ... they usually want cash or a certified cheque
- Check supply of heating fuel (if oil)
- Make arrangements to have appliances hooked up
- Get meters read and utilities turned on
- Set up bedrooms and kitchen first
- Tool kit should be handy
